

Advanced Estimating Seminar

**September 28-29, 2017
Kansas City, MO**

Presented by:

Josh Browning, Specialty Cabinetry & Woodworking
Luke Rimmert, Rimmert & Company

The NEW Advanced Estimating Seminar focuses on equipping attendees with tools and knowledge to improve the efficiency of your estimating department.

Lecture, reinforcement laboratory activities and group collaboration provide numerous learning opportunities with practical applications that may have immediate impact.

Think big picture and create solutions to impact desired areas and reinforce strengths. Join us for a great opportunity to enhance perspective, knowledge and skills of your Estimating Team!
